

George Burchell

Quality is not an act, it is a habit" - Aristotle

Profile

A young man with a technical background, but a creative hobbyist, with a love of writing, video, music production, philosophy, and a little bit of design.

Self-taught in some of the adobe creative suite, some video production tools like Sony Vegas/DaVinci, as well as some sound productions DAWs, wanting to take these from self-taught to professional.

Employment History

Related work experience

Social Media Assistant

May 2019 — Present

Technically this isn't a position as it's unpaid as it's helping my girlfriend with her social media(140k followers) by taking photos, editing photos and helping with videography and editing etc.

Marketing Assistant (Three Month Internship) Fairhall Jet wash(Previously Essex jetwash)

June 2014-September 2014

Developing social media campaigns for a jet wash company, creating websites, graphics, flyers, as well as running errands per the owners request, but my work has since been deprecated.
